

SET FOR SEPT. 22

Kiwanis Sponsor 3rd Annual Kid's Day Here

Publicity chairman Charles Wallace announced today that Sept. 22 will be the 3rd annual Kid's Day sponsored locally as in the past, by the Torrance Kiwanis Club.

"There'll be a big change in program from the extravaganza held the last two years," said Wallace. This year the program will appeal to the tumblers... a huge breakfast, coffee, pancakes, etc., for the entire town of Torrance," he added. The proceeds are to be earmarked for a special fund to carry on the swimming program for Torrance youth.

This past summer, approximately seven hundred children here in town, got to go swimming because of the Kid's Day program. To benefit the local youth is one of the main themes of Kid's Day.

Kid's Day is rapidly gaining national recognition, as thousands of Kiwanis Clubs throughout the nation are setting aside Sept. 22 as a day in which to center the attention of the community on its youth problems and to aid in the correction of same, according to Wallace.

Walteria P-TA to Discuss Plans for Enrollment

Walteria P.T.A. executive board will meet tonight at 8 p.m. in the school auditorium, with the president, Mrs. Glenn Hardcastle, presiding.

Plans will be completed for P.T.A. members assisting in enrolling new children on the opening day of school, September 17th, and also for the traditional luncheon served the school staff on that day.

Frogs have been known to eat fireflies. Birds, despite their good appetites for insects, are more fastidious, and rarely if ever eat fireflies. U. S. Government studies show.

Avalon Village Businessmen Form New Civic Group

Organizers of a new businessmen's group for Avalon Village met last Thursday at 23005 N. Avalon Blvd. for the purpose of ratifying a constitution for the infant civic betterment association.

Zel Com, unofficial chairman for the organization and public relations director for the Avalon Village Co., said the first project of the Avalon Village businessmen would be the creation of a maintenance staff to keep the shopping center as beautiful as possible.

A committee of Julius Nasater, Julius Greene and George Tollefson were to report on this project today. Another three-man committee, composed by Hubert Orton, Meyer Wolfson and L. M. Hamilton drafted the constitution and articles of incorporation.

Conn said his group would not operate in competition with the Keystone-Avalon Chamber of Commerce, but would try to cooperate with it. The new organization's territory is bounded by Avalon Blvd., Sepulveda Blvd., Main St. and 223rd St. The chamber covers the unincorporated area bounded by 190th St., Alameda St., Lomita Blvd. and Normandie Ave., excluding the Dominguez area.

Camino College And Northrop Plan Training Program

The stamp of approval on a joint Northrop and college training program was recently given by the El Camino College Board of Trustees. In an effort to break a training log jam college facilities were made available for more than 35 classes in special phases of aeronautical engineering. All classes are to be held in the new administration building on the college campus. Among the classes to be offered are Job Organization Methods for Designers, Testing Operations and Equipment, Engineering for Producibility, Estimating and Scheduling, Aircraft System Design, and Radio Noise Elimination in Aircraft. Instructors have been recruited from the ranks of the Northrop Personnel while the local college will provide classrooms and cafeteria facilities. This joint effort is the vanguard of a growing war production training program which will probably reach all parts of the college district within the next several years.

186th St. P-TA Discusses Plans for Carnival

The executive board of the 186th Street P.T.A. met at Torrance Park Tuesday, August 28th to discuss Carnival Plans.

Booths, games and food will be among the main features and plans are well under way for the big event.

Association officers and chairmen have been requested to attend the "School of Information" to be held Friday, September 21st at San Pedro, as announced by Mrs. Lawrence Loback, parliamentarian of the Gardena-Wilmington Council.

Mrs. James A. Gauley, Samuel Dow and Harold Sprankle represented the 186th Street P.T.A. at the council meeting held August 24th at Torrance Park.

Speaker of Constitution Program Announced

"Dr. John R. Lechner, executive director of the Americanism Educational League, will be the speaker at the Torrance-Lomita observance of the signing of the Constitution to be held at the Civic Auditorium at 8:15 p.m., Sept. 17th," is the word from William T. Faulkner, realtor, this week.

The celebration of this 164th anniversary of our Constitution is being sponsored by the Torrance-Lomita Realty Board, supported by local organizations. The Americanism Educational League is a non-profit organization, incorporated under the laws of the State of California.

It was organized in 1927 by its present executive director at the request of scores of leading citizens who saw the need for an active campaign of education in the field of Americanism. From its inception, the League has served as a clearinghouse for civic groups and civic leaders; thus the League has served more than 50,000 civic organizations during its remarkable history, without cost to these groups.

EXPOSED BUND
The League originally exposed the German-American Bund and the highly dangerous radical labor's Non-Partisan League and emasculated the organization in a bitter fight before the Los Angeles School Board. It has initiated many important constructive patriotic programs. It conducted the first major Bill of Rights program for Southern California. Its two huge meetings at Gilmore Stadium and the Shrine Auditorium, honoring new citizens, were the forerunners of the "I Am an American" programs. It has conducted many essay contests on Americanism in the schools of California and on the radio, many of these on national networks.

Dr. Lechner holds degrees from Denison University, Crozer Theological Seminary and the University of Pennsylvania. He has, for many years, been recognized as one of the outstanding speakers on the Pacific Coast. No other speaker in California can equal his record of more than 10,000 addresses before civic, fraternal, patriotic and women's groups. On many occasions his audiences have numbered in excess of 5,000 people.

Dr. Lechner, in his radio addresses, has fearlessly pointed out the dangers of subversive activities and has constructively analyzed basic American ideals; he has engaged in many debates and public forums and has written many outstanding pamphlets and articles dealing with subversive movements.
